## Summary

Greetings! I'm Junaid Saleem, a passionate Front-End Developer from Peshawar, Pakistan. As a determined CS Undergraduate at GIKI, I'm dedicated to broadening my skills. Being a part of ACM-GIKI, a dynamic Tech Society, I'm immersed in growth-fueled initiatives. With a keen interest in AI, I'm excited to propel my career in that direction.

## Experience

### Member

ACM Student GIKI Chapter

Apr 2023 - Present (5 months)

### C++ Developer

CodSoft

Aug 2023 - Present (1 month)

### Volunteer

ACM Student GIKI Chapter

Dec 2022 - Apr 2023 (5 months)

As a volunteer for ACM-GIKI chapter, I played a critical role in managing the tech and logistics for the ICPC finals. This included installing and configuring software, managing labs, and providing support to participants.

Additionally, I helped organize a 3-day workshop on Object-Oriented Programming in C++. These experiences were fulfilling and allowed me to develop my skills.

## Education

### Ghulam Ishaq Khan Institute of Engineering Sciences and Technology

Bachelor of Science - BS, Computer Science

Sep 2022 - Jun 2026

Entering GIKI's BS Computer Science program is like embracing a realm of achievement. Guided by renowned faculty, fueled by advanced research, and surrounded by modern resources, I'm excited for this enriching journey. Committed to nurturing critical thinking and creativity, I anticipate GIKI's transformative impact through rigorous academics and vibrant extracurriculars, shaping my path to a triumphant future.

### Islamia College Peshawar

HSSC, Pre-Engineering

Aug 2020 - Mar 2022

I studied at Islamia College Peshawar, a prestigious institution known for academic excellence and a rich history. Surrounded by brilliant minds and top-notch facilities, I gained invaluable knowledge and skills during my time there.

### **Happyday School System**

SSC

Apr 2017 - Apr 2020

I received my Secondary School Certificate from Happyday School System, located in the heart of Peshawar. It was a pleasant experience that provided me with a strong foundation for my future academic pursuits.
